A login dialog box with a title bar at the top containing minimize, maximize, and close buttons. The main content area is enclosed in a frame with a vertical scrollbar on the right. The scrollbar has a triangular up arrow at the top and a triangular down arrow at the bottom. The content area contains the following elements:

- LOG-IN NAME**: A label followed by a text input field (902) containing the text "a r k a w a". Below this field is a smaller text input field (903) containing the text "i k e d a".
- PASSWORD**: A label followed by a text input field (904).
- Buttons**: Two buttons at the bottom, labeled "OK" (905) and "CANCEL".

The entire dialog box is labeled 901 on the right side.
